1. Polymeros Moschovitis, editor of Napoleon Zervas' organ Floga and an old-time Metaxas intriguer, approached Sotirios Floulis, a journalist friend of Plastiras, about ten days ago with a suggestion that Floulis sound out Plastiras on a dictatorial coup by Zervas and Plastiras acting jointly.
2. Moschovitis intimated that he was not doing this on his own initiative. He stated that the present desperate situation left only this solution to save the country.
3. Plastiras at first disdainfully turned down the offer, but on later advice, he told Floulis to continue his contact with Zervas' emissary.
